Dear Friends,

It is with great pleasure that I share with you our 2024 annual report, highlighting a year of significant evolution for our organization. By refining our adoption strategies over the past twelve months, we've seen an extraordinary surge in successful placements, exceeding 65%. This milestone reflects our dedication to fostering deep, lasting bonds between animals and their new families, all while keeping a compassionate, people-focused approach at the heart of our work.

We are immensely grateful to our supporters, whose unwavering loyalty has propelled our mission forward. In 2024, the Humane Society of Jefferson County cared for more than 2,400 animals, ensuring each one received the medical attention, shelter, and enrichment they deserve. Beyond providing shelter, we've reunited lost pets with their owners, placed animals into forever homes, and launched targeted programs to uplift those most vulnerable among them.

Looking back on the year, we feel honored to serve animals in need, strengthened by the incredible backing of our community. Our resolve remains firm: guided by compassion, integrity, and a spirit of service, we are working toward a world where every animal is treated with the dignity and care they so richly deserve.

Thomas DeLadurantey

Executive Director

The Humane Society of Jefferson County is a private non-profit organization that relies on the generosity and support of our donors to help us provide lifesaving services to the animals in our care. The mission of the Humane Society of Jefferson County is to improve the lives of animals in need through compassionate care, adoption, advocacy and education while also inspiring humane communities that foster kindness and respect for all.
