

2022 ANNUAL REPORT

HUMANE SOCIETY
OF JEFFERSON COUNTY

Dear Shelter Friends,

2022 marked our 100th year of serving people and pets in our community and beyond. We are very grateful for a century of support from people who believe, as we do, that every animal is deserving of kindness.

The HSJC provided compassionate care to over 1,000 animals last year. Whether stray, surrendered, abandoned, neglected, abused, or transferred in from other shelters, every animal receives quality medical care, clean and comfortable accommodations, and a whole lot of love.

Our shelter reunites lost pets with their families, places adoptable pets in forever homes, offers a Sake Keep program for at risk animals, provides humane education, hosts low cost rabies and microchip clinics, and much more. It is our pleasure and privilege to serve animals in need and we sincerely thank all who support our mission.
